Dancer with a
mission

THE CALL

When I was 17, I was deeply impacted by a group of Christian dancers using their passion to evangelise.

"One day, I'm going to be a dancer for Jesus!" I declared.

Now, more than 10 years later, God has led me to dance for Him with **Impact Spain**: a creative arts ministry within YWAM Madrid.

God has called me to **use my artistic voice to transmit the gospel to the nations**, and it all starts here in Spain.

WHY SPAIN?

Spain is a country that is culturally rich, but spiritually dry. **Less than 2% of Spain's population identify as evangelical Christians.** Many people are yet to have a personal encounter with Jesus.

For years, Spain was called the **cemetery for missionaries** - years of effort with few lives changed. But with Impact, we are seeing this reality shift as more people encounter Jesus, and hear about his great love for them.

People in Spain are searching for **identity, purpose** and **truth**, but they don't know where to turn. And that's where Impact comes in.

IMPACT SPAIN

Impact Spain is an **evangelistic ministry** that use the creative arts to brings the gospel to people who may never set foot in a church.

The arts are a bridge - making the gospel **accessible** and **relevant**.

Through high quality evangelistic dance and theatre shows, conversations are sparked, and **relationships with Jesus are ignited**.

We don't just perform, we **connect with our audiences**, share testimonies with them, and show them God's love so they can leave changed.
