If you would like your name to be on the network directory, then please do let me know. More importantly, do come along to the tea party. It's not too late to be a part of this important network. * PARISH TODDLER GROUPS *

Our popular term-time Toddler Groups have now had their last meetings of this term. Sparks will start again on Wednesday 5 September and Tots will start again on Tuesday 11 September.

* GIVING BY CARD PAYMENT *

We are trialling a new system at St Peter's to enable people to make their offering via Debit or Credit card on a Sunday morning. It has been tested and works well. If you would like to use this form of giving then please see Jacquie or Lynda during the offering or after the service.

*** COMPETITION ***

The work going on in St Peter's Church Centre over the summer will involve the blue and green rooms being joined together and repainted in a more neutral colour. St Peter's Church Council would like to give formal names to the three side rooms (currently called 'Green', 'Blue' and 'Yellow') and are running a competition for you to come up with appropriate names.

A prize will be awarded to the winner, which will be chosen by the Church Council. Please send entries to the parish office by email (<u>admin@stpeterwoking.org</u>) or in an envelope marked 'Room names competition' by Sunday 6 August.

* FUNDRAISING MEAL *

Thank you very much to everyone who supported St Peter's Rocks in their fundraising meal for Project Return, both those who braved the food and those who couldn't come but gave donations. (I'm not sure which group deserves more thanks!). We raised a magnificent £131.36 which makes the hard work well worth it!

VICAR'S VIEW

Morrisons supermarket have just introduced a "quiet hour" for shoppers with autism who struggle with music and loud noise. Music is turned off, lights are dimmed, and check out beeps are turned down. The Entertainer toy shop chain does the same and one or two other supermarkets have started it as well. It is not just people with autism who appreciate this, I'm sure many others do in a world with so much background noise, hustle and bustle.

Jesus needed time away from people and noise so regularly went into the hills to pray and think. Stop and look at your lifestyle. Do you have times when you are away from people without the radio, TV or sound system on, when you can just think and be still. It is so often at those times that God speaks to you and you can gain a sense of calm, so implement a "quiet hour" in your life from time to time and enjoy the peace! Ionathan
