transition and I look forward to playing my part in the outworking of the vision of Transforming Churches, Transforming Lives. I recognise that I have much to learn in this new role but I pray that we can work together to declare the praises of him who called us out of darkness into his marvellous light."

On making the announcement, Bishop Andrew said:
"I'm delighted that Martin will be joining us at quite such an important time in the life of the diocese. Martin was the stand-out candidate in a very strong field and brings with him a wealth of parish experience and a particular commitment to discerning and releasing the gifts of the people of God. We wish him, Monica and Joshua God's richest blessing as they make the transition from London to Guildford."

The Rev'd Martin Breadmore will be licensed as Archdeacon of Dorking at a service in Guildford Cathedral in the late Autumn.

*** BISHOP ANDREW: REFLECTIONS ON SAME SEX RELATIONSHIPS ***

At the Woking Deanery Synod meeting in late February, Bishop Andrew gave us his thoughts on this subject, which as he said, involves discussion, prayer and action across three things we have generally not been encouraged to talk about in polite society - Sexual Relations, Religion and Politics.

This is as good a contemporary discourse on this delicate matter as I have heard anywhere, and I recommend the notes of his talk to you, which you may obtain by email or printed out from Helen Maguire, our Parish Administrator.

*** NEW ARCHDEACON OF DORKING ***

The Bishop of Guildford, the Rt Rev'd Andrew Watson, has announced that the Rev'd Martin Breadmore will take up the position of Archdeacon of Dorking later this year.

Martin is currently the Director of Ministry for the Kensington Area of the Diocese of London, with responsibility for the training and development of clergy and lay people. As the lead person for training clergy after ordination he has been committed to ensuring that curacies enable training incumbents and curates to flourish in their ministry together.

Martin is no stranger to Guildford, having previously served as associate minister of St Paul's, Camberley for more than four years. Before moving to London Diocese he was Vicar of St Patrick's, Wallington in the Diocese of Southwark for almost nine years.

Commenting on his appointment, Martin said:

"I am delighted, daunted and humbled to have been called to serve God as the next Archdeacon of Dorking. The Diocese of Guildford is in an exciting time of

MICK'S MUSINGS

Doubting may be seen as a weakness. I suppose for this reason I didn't want to talk about my doubts, which Have arisen, I think, because of my circumstances. So I was very pleased to read Luke 7, in which we read that John the Baptist doubted. He had expected the Messiah to bring judgement and He brought forgiveness. Also John was in prison for telling the truth and his life was in danger. These circumstances led to his doubting. His doubts were brought to Jesus. Jesus did not criticise John because of his doubts. In fact Jesus praised him for what he had done and the person he was.

Others doubted too. Job doubted, he couldn't understand why things had happened the way they had, he wanted answers. In the end Job had to admit to the fact of his finiteness, and then he was given a vision of the Almighty God. Thomas, famous for doubting, who had been with Jesus for several years and had seen many miracles, doubted the resurrection. He too was given a new vision of God.

So if you are a fellow doubter you are in good company! Often when these doubts are admitted a fresh vision of God is given.

Every blessing

Mick
